"NB Approved" Designation Tourism and Parks

Tourism Development Act, 2008 |  | [HTML](#)

Overview:

The New Brunswick Approved designation is a voluntary industry approach aimed at providing the property owners/operators options for evaluating and profiling their roofed accommodation establishment or campground. The designation provides visitors to the province with a wide range of properties that meet or exceed standards of amenities, cleanliness, repair and staff courtesy.

Eligibility:

The following property categories are eligible to be New Brunswick Approved:

- Bed & Breakfast / Tourist Home
- Inn
- Hotel / Motel
- Resort
- Cottage / Vacation Home
- Fishing & Hunting
- Campground

Description:

As a property operator, you are offered the choice of two options to become New Brunswick Approved: (1) by participating in the New Brunswick Eligible Accommodation program, or (2) by participating in the Canada Select / Camping Select rating program.

Further details about the designation may be obtained by accessing the Guide in the related links below, by calling New Brunswick Tourism Grading Inc. at (506) 458-1995 or the branch listed in the contact section below.
